2018-2019 FAFSA

The **2018-2019 FAFSA (Free Application Federal Student Aid)** will be available to students and families on October 1st. This means students who need to complete the 2018-2019 FAFSA will be able to access and submit the form anytime from October 1, 2017 through June 30, 2018.

In order to complete the FAFSA online, every student and one parent must have a FSA ID, made up of a username and password. The FSA ID can be created at fsaid.ed.gov.

BEFORE CREATING A FSA ID

- Users will need to provide their Social Security Number, full name, date of birth, mailing address, email address, telephone number, and language preference.
- Each FSA ID user must have access to their own unique email address.
- If a user has previously accessed the FAFSA with a PIN, they have the option of entering the PIN while registering for the FSA ID. This will expedite the process.
- A dependent student will also need to have one legal parent sign the student's FAFSA, so the parent needs a FSA ID as well. Parents with more than one child attending college can use the same FSA ID to sign all applications.

HOW TO CREATE A FSA ID

STEP 1 Visit fsaid.ed.gov.

STEP 2 Enter you email, create a username and password, and confirm your age.

STEP 3 Enter your Social Security Number, date of birth and full name. If you have a Federal PIN from the old system, you will receive a prompt to enter it. A Federal PIN is not required, but it can expedite the application process.

STEP 4 Confirm your personal information.

STEP 5 Enter your security questions and answers for future verification purposes. Select two predetermined questions, two custom questions, and a memorable date.

STEP 6 Confirm your security questions. Read and acknowledge the FSA ID terms.

STEP 7 Enter the secure code that was sent to the email address submitted in Step 2. This will allow you to use your email address as your username.

AFTER CREATING A FSA ID

Users can immediately sign an original FAFSA with their newly created FSA ID. Once the Social Security Administration verifies their information in 1-3 days, or if they have linked their Federal PIN to their FSA ID, they will be able to start a renewal FAFSA, make changes to an existing FAFSA, and log in to other Department of Education websites.

REPORTING INCOME ON THE FAFSA

The Department of Education has announced that students will file the 2017 – 2018 FAFSA with 2015 year income tax information. This impacts students who are currently juniors, graduating in 2017.

The process will enable students to file their FAFSA earlier, with more accurate information (no need to estimate taxes anymore), and aligns more directly with the admissions process. Students will be able to receive earlier notification of their financial aid eligibility and, hopefully, make better decisions regarding the affordability of their final school choice.

For the first time, students will be able to take the **SAT and SAT Subject Tests in August**. Taking the exam in the summer is great news for juniors because it allows them time to meet early application deadlines and focus on classwork as they begin their senior year. Registration opens in late April for the August 26 SAT. Deadline is July 15.

ATTENTION: Students and Parents of Grades 9 through 12:

Many of you have concerns about how to make a college education more affordable. Through a new program called Raise.me, students can guarantee scholarships from 200+ colleges as early as 9th grade, making it easier to plan financially for school. Raise.me has proven to be a great tool to motivate students in high schools throughout the U.S., as the site immediately rewards students with scholarships for their hard work in and outside of high school.

As an example:

- Get an A in a course (\$100 - \$1,000)
- Get a B in a course (\$50 - \$600)
- Participate in a school club or sport (\$25 - \$250)
- And much more!

Our Lady of Lourdes is among the first in the country to take advantage of this opportunity, which was launched with the support of the Bill & Melinda Gates Foundation and U.S. colleges. Here are a couple of easy ways to support your students in using this unique tool:

- 1) Ensure that your student creates an account at www.raise.me.
- 2) Encourage your student to regularly add good grades, community service, extracurricular activities, and other achievements to his or her raise.me “Portfolio” to earn “Micro-Scholarships” from colleges.

- 3) Visit www.raise.me/parents for more information.

We hope using Raise.me will make your student’s path to college both more fun and affordable. If you have questions, I encourage you to contact the Guidance Department at (570)-644-0375, Ext 119, or send an email to support@raise.me.

The Advance College Experience (ACE) at Bloomsburg University is designed for college-bound high school juniors and seniors who seek to “jump start” their

college career by earning college credits. Bloomsburg University offers a selection of courses intended to supplement high school offerings and to expose students to the academic environment at the college level. Students save 75% of the tuition. Typical offerings will include courses in exercise science, composition, psychology, history, public speaking, political science, language, music, biology, chemistry, mathematics, and geography. For more information call 570-389-4824 or visit www.bloomu.edu/ace. To register by phone, contact Division of Corporate and Continuing Education at (570) 389-4420 (Credit card payments only). Registration forms are available in the Guidance Office.

Luzerne County Community College's Young Scholars Program - Qualified Juniors and Seniors can take college courses at Luzerne County Community College through the Young Scholars Program and take advantage of a reduced rate on tuition. Contact the Shamokin Campus at 648-2544 or the Guidance Office for more information regarding registration and courses.

NCAA – National Collegiate Athletic Association – Many college athletic programs are regulated by the NCAA, which has established rules on eligibility, recruiting, and financial aid. If a student is planning to enroll in college as a freshman and wishes to participate in Division I or II athletics, he or she must be certified by the NCAA Initial Eligibility Clearinghouse. The process of certification should begin at the end of the Junior year in high school. NCAA requests that students apply online at www.eligibilitycenter.org. It is necessary to send ACT or SAT scores to the Clearinghouse directly from the testing agencies. The code for NCAA is 9999.

SCHOLARSHIPS

Empire Beauty School - \$1000 Scholarship available for graduating high school seniors attending Empire Beauty School to pursue their dream in cosmetology. Enroll and apply by August 1, 2017. Applications are available in the Guidance Office.
