FROM THE
GUIDANCE OFFICE
2017**

NOVEMBER 10

**MORE INFORMATION REGARDING THE FOLLOWING IS
AVAILABLE IN THE GUIDANCE OFFICE:**

This week started our annual Manna Drive collection. Administration, faculty, staff, and students are encouraged to donate food items and \$2.00 or more to be used for gift certificates for the needy in our area. A list of food items, baskets, and envelopes were delivered to homerooms. Students were asked to sign their name and check off what item or items they will bring in. Please bring your items in by Tuesday, November 14th. Please be generous, there are many needy families in our area and it would be nice to give them a “Happy Thanksgiving.” This activity is sponsored by the Boys Service Club and Girls Action League. Thank you for your generosity. If there are any questions, please see Mrs. Feudale.

It does a heart good to help others in need, especially during the holidays!

SALT TEAM - Lourdes Regional High School is a community brought together in response to the Gospel of Jesus Christ. We seek unity through affirmation, and integration of our gifts and talents for service. Acknowledging that our students are all children of God, the school community challenges them to full development of their talents. Along the way, some students develop difficulties related to drugs, alcohol, and/or mental health issues. Recognizing these possibilities, this school community supports a **Student Assistance Program** to help identify such students. The heart of the program is a **Student Assistance Team Known as SALT (Student Assistance – Lourdes Team)** which is a core group of school personnel specially trained to work with these students. Since students cannot fully enjoy and appreciate God’s gift of life unless they are experiencing good health and total fitness, the SALT Team intervenes and, if necessary, refers students at risk to appropriate personnel or agencies. The intervention is made in the hope that such students may once again come to appreciate the gift of life and utilize their many talents for the benefit of themselves and others.

The heart of the SAP (Student Assistant Program) is the SALT Team comprised of administrators, counselors, teachers, and the school nurse. The team is specially

trained to identify and help students experiencing problems related to alcohol and drug use or who are at risk of suicide and other mental health problems. It is not the function of the SALT Team to diagnose or treat a problem. The function is to identify patterns of behavior which is associated with a problem. When such patterns are discovered, the student is referred to in-school personnel or to appropriate community services.

For more information about the Student Assistance Team, please call Mrs. Gilger in the Guidance Office.

The Advance College Experience (ACE) at Bloomsburg University is designed for college-bound high school juniors and seniors who seek to “jump start” their college career by earning college credits. Bloomsburg University offers a selection of courses intended to supplement high school offerings and to expose students to the academic environment at the college level. Students save 75% of the tuition. Typical offerings will include courses in exercise science, composition, psychology, history, public speaking, political science, language, music, biology, chemistry, mathematics, and geography. For more information call 570-389-4824 or visit www.bloomu.edu/ace.

Available courses for Winter '17 and Spring '18 will be posted online October 6. Scheduling will begin October 30 for Winter. Spring '18 scheduling begins November 13.

Luzerne County Community College's Young Scholars Program - Qualified Juniors and Seniors can take college courses at Luzerne County Community College through the Young Scholars Program and take advantage of a reduced rate on tuition. The **Hugh O'Brian Youth Leadership Seminar (HOBY)** is the nation's foremost youth leadership development organization. HOBY programs provide youth with unique leadership training to make a better world. Every spring more than 9,000

deserving high school sophomores from across the country are chosen to represent their high schools in HOBY State Leadership Seminars. The seminars allow students to recognize their leadership talents and apply them in becoming effective ethical leaders in their home, school, and community. The 2018 Hugh O’Brian Youth Leadership Seminar is scheduled for June at a Pennsylvania University. Students were given information about HOBY this past week. Any sophomore who is interested in attending this exciting leadership seminar, please contact Mrs. Gilger in the Guidance Office by the end of the day on Tuesday, November 29.

NEW The **Pennsylvania School for Global Entrepreneurship at Lehigh University** is now the “Iacocca Global Entrepreneurship Intensive for high school students”. The new name better reflects the program’s global reach and its interactive, hands-on model of teaching leadership and entrepreneurship skills to young adults from around the world. The University of Pittsburgh Health Career Scholars Academy (UPHCSA) and the Penn State, Pennsylvania School of Excellence in Agricultural Sciences, all former Governor’s School programs are accepting applications for the 2018 summer programs. Current high school sophomores and juniors are encouraged to apply. Interested students please inquire in the Guidance Office. Further information may be found at global.lehigh.edu/Iacocca, www.hcsa.pitt.edu and <http://agsci.edu/school-for-excellence>. Interested students please inquire in the Guidance Office. Deadline is February 15, 2018.

NCAA – National Collegiate Athletic Association – Many college athletic programs are regulated by the NCAA, which has established rules on eligibility, recruiting, and financial aid. If a student is planning to enroll in college as a freshman and wishes to participate in Division I or II athletics, he or she must be certified by the NCAA Initial Eligibility Clearinghouse. The process of certification should begin at the end of the Junior year in high school. NCAA requests that students apply online at www.eligibilitycenter.org. It is necessary to send ACT or SAT scores to the Clearinghouse directly from the testing agencies. The code for NCAA is 9999.
